Dear Journey Family

As always, I hope this finds you experiencing the grace of a big, big God, and enjoying the spring weather! This time of year is one of my favorites as we enjoy the spring and summer, while gearing up for the next school year. Today marks a strategic day for us as we kick off a new study, and start living into our summer strategy.

As we go into the summer months, we want to be part of your adventures! We understand that this season can include events that are spur of the moment, so we want to make sure we serve you well. Here are just a few ways we can connect this summer as you #JourneyOn:

- **JOIN US:** Attend weekend experiences either on-campus, or if traveling, join us online. We are making a few tweaks to our experiences to better serve you, so don't miss out!
- **GROW:** We want to encourage you during the week to be a part of a small group, Equip classes, devotionals, etc. and allow this season to be one of great spiritual growth for you!
- **INVITE:** Bring a friend on the journey! We love meeting new people, so invite your friends to all things Journey.
- **TITHE:** Your consistency in generosity is what powers our daily ability to serve you and our community!
- **EXTRA MILE:** More details to follow within the next few weeks!
- **#JOURNEYON:** Join the social media family, and keep us updated on what's happening with you through the hashtag.
- **APP:** In the just a few days, we will be unveiling our new app. It will help you stay connected to all aspects of Journey

Today, we are kicking off a study called, "The Blessed Life". For some of you this will be brand new, and for others, it will be a reminder that we serve a faithful God! It is one of my favorite truths to teach because of how dramatically the knowledge of this truth changes lives. We also feel like the Lord spoke to us to do this as we walk through a season of restructuring our finances to set us up for a great future! Our elders feel like refinancing our mortgage is an important aspect of this season, to position us to reduce our total debt on our property. Our debt is approximately 50% - 60% of the value of our property.

Through this time, we are asking everyone to tithe, giving 10% of our income, on a consistent basis, to help in all aspects of setting us up of pursuing our dreams more than ever before. We believe in the next year, God is challenging us to continue to pursue our strategy with wisdom and aggression, so your giving makes a huge difference.

Lastly, we are excited that through the generosity of Pastor Robert Morris, we are able to give everyone a copy of his book, "The Blessed Life." There is no book that has changed my life more than this one, besides the Bible.

Thank you for being a great church! I am so super excited about our e320 future.
Love you. Proud of you.

Clark
